I, _____, hereby waive, release, and discharge _____, and its employees, agents, and representatives from any and all liability, demands, claims, actions, damages, costs, and/or expenses for injury, death, loss, or damage to any person or property, including, but not limited to horses, riders, and equipment, arising out of or resulting from my participation in equine or other horse-related activities.

This release and waiver is intended to discharge in advance, and I covenant not to sue _____, its employees, agents, or representatives for damages for death, personal injury, property damage (including to horse(s)), or loss that I may suffer as a result of my participation in horse-related activities.

I understand that boarding, riding, and handling horses are inherently dangerous activities that involve a high risk of loss or damage to equipment, property, horses, and people.

I understand that participants in horse-related activities may sustain mortal or serious personal injuries and/or property damage, as a consequence thereof. By signing this release form, I recognize that horses are large animals that may act unpredictably, and are inherently dangerous to ride and/or handle.

I understand that equine activity is inherently dangerous. I further understand the following:

a) the propensity of the animal to behave in ways that may result in injury, harm, or death to persons on or around them;

b) the unpredictability of the animal's reaction to outside stimulation such as sounds, sudden movement, and unfamiliar objects, persons, or other animals;
